

REMARKS

In response to the Restriction Requirement of the March 2, 2007 Office Action, Applicant hereby provisionally elects, with traverse, Group I claims 5-15 for further prosecution in the above-identified patent application.

Applicant respectfully traverses the restriction requirement because it is believed that all claims can be searched and examined without serious burden to the Examiner. MPEP §803 states: "If the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to distinct or independent inventions."

Should the Examiner believe that a telephone conference would expedite the prosecution of this application; the Examiner is invited to telephone the undersigned attorney of record whose direct office line is 510-663-1100, extension 230.

Respectfully submitted,
